Unfortunately, the Radical Left Democrats, Dominion, and others, were perhaps more successful! Retweets: 43979 Favorites: 229381

Consent decree is a scam that Georgia Secretary of State or Governor should never have let happen. Unconstitutional. Wow! Governor Kemp will hopefully see the light before it is too late. Must finally take charge! Two GREAT Senators, who do so much for Georgia and truly love the USA, are in a must win battle with two incompetents who don't have a clue!

Wrong! At first they voted against because there were far more VOTES than PEOPLE (Sad!). Then they were threatened, screamed at and viciously harassed, and were FORCED to change their vote, but then REFUSED, as American patriots, to sign the documents. 71% MESS. Don't Harass!

The Georgia recount is a joke and is being done UNDER PROTEST. Even though thousands of fraudulent votes have been found, the real number is in matching signatures. Governor must open up the unconstitutional Consent Decree and call in the Legislature!

The numbers have not improved, it is still 71% out of balance, stated Wayne County, Michigan, Canvassers. There is widespread irregularities in poll numbers. There are more votes than people. The two harassed patriot Canvassers refuse to sign the papers!
